Veneer sample book

Bubinga

Kultura
Dźwięku

Natural Bubinga veneer is an exotic material from Africa, prized for its exceptional aesthetics and durability. It features a deep, warm reddish-brown tone with subtle, wavy grain patterns that give the surface a refined and luxurious look. Each piece of wood has a unique figure, making every Bubinga veneer cabinet truly one of a kind. It is a choice for those who appreciate natural beauty and timeless elegance.

Ziricote

Kultura
Dźwięku

Natural Ziricote veneer is a rare and visually striking wood species originating from Central America. It is distinguished by its dark, rich color and contrasting grain patterns that often resemble landscapes or marble textures. Its unique, dramatic appearance makes every surface look like a work of natural art. Ziricote combines elegance, exotic character, and individuality, highlighting the prestige and distinctive style of any product.

European Oak

Kultura
Dźwięku 

Natural European Oak veneer is a timeless classic, appreciated for its strength, noble character, and natural appeal. Its light golden-brown color and distinctive, harmonious grain pattern bring warmth and elegance to any design. European Oak pairs beautifully with both modern and traditional styles, underlining the craftsmanship, durability, and natural aesthetics of the product.

American Walnut

Kultura
Dźwięku 

Natural American Walnut veneer is a classic and highly valued material, known for its deep, warm brown color with subtle golden undertones. It features elegant straight or gently wavy grain patterns that give the surface a noble and timeless character. Thanks to its versatility and natural beauty, American Walnut perfectly blends tradition with modern design, emphasizing high quality and refined craftsmanship.
